TIME TRIALS REGISTRATION: Use this Link for registration and to view attached supplemental regulations for TT: <http://msreg.com/RMSS-TimeAttack>

DRIVER ELIGIBILITY: Drivers must be a current SCCA member with a current Full SCCA Competition License or an SCCA Pro license. Additional licenses accepted for Regional Events include an SCCA Novice Permit, or any organization's license that is currently approved by SCCA for competition as listed in the GCR, Appendix C, 2.8.B (pages 114 & 115). [Download GCR](#). Proper credentials must be presented at check-in.

CAR ELIGIBILITY: This competition is open to all cars conforming to the GCR, as amended. In addition, all Regional Classes specific to the Rocky Mountain Division are included as follows: Club Ford (CF), Spec Ford (SF), Club Formula Continental (CC), ITE Everything (ITE-0, ITE-U), Spec RX-7 (S7), Spec 7 with 13B (Pro 7), Spec 944(S944), Spec E30 (SE30), Regional Spec Miata (RSM), Spec M3 (Spec M3). Rocky Mountain Division Championship rules and Class rules can be found at <http://www.coloradoscca.org/rulesforms.php>.

PREFERRED NUMBERS: Rocky Mountain Division preferred numbers will be used for this event. If two drivers holding the same Preferred Number request that number for the same run group, the number will be assigned to the driver with the earliest request. Unreserved numbers are on a first-come, first-served basis. All numbering assignments are subject to race group configurations.

TECH: Tech inspection hours and locations are posted on the event schedule.

- A. Express Tech is available for drivers with both a current annual tech and a current year helmet sticker. Drivers should bring their vehicle logbook and registration credential to get their event stickers.
- B. Drivers without a current year helmet sticker must present all driver gear as required by the GCR, vehicle logbook, and registration credential to Tech. If your car requires an annual tech, you must also bring the car to tech. An event tech sticker will be issued after everything is examined and approved.
- C. The order of inspection at the track will be:
 - 1. Express Tech
 - 2. Re-inspection, logbook notation
 - 3. Annual inspection
 - 4. Cars with no logbook (new or lost logbooks)
- D. Competitors needing Annual inspections or New Logbooks must make prior arrangements with the Chief of Tech to have these items performed by tech personnel at the track.

SCALES: Scales will be available each day per the tech schedule until the end of competition, except during impound. Driving on or off the scales is prohibited unless otherwise instructed by Tech personnel. Motors must be turned off and competitors and/or crew must push cars on and off scales.

EVENT SCHEDULE / RUN GROUPS: The event schedule, configuration, or run groups may be changed at the discretion of the Chief Steward, in cooperation with the Region's representative. If changes are made, as much notice as possible will be given to all competitors. Schedule times are provided for planning purposes and are approximate. The PA system may be difficult to hear in some areas of the paddock, so please monitor the PA system and pay attention to what is happening on track.

- A. Practice sessions, if any, will be untimed.
- B. All Regional races will be timed.
- C. For practice and qualifying sessions, the clock will start when the first car crosses the timing loop in the hot pits. For races, the official clock will start when the first car crosses the start finish line.

TIMING AND SCORING: All cars are required to use fully operational AMB transponders, and the driver is responsible for providing correct information during registration. Unless otherwise announced, live timing will be available via the Race Monitor App available for iPhone and Android.

- A. Non-operational transponders or missing transponder information may not be scored for the event.
 - a. A limited number of transponders may be available for rent at the rate of \$30.00 per day, along with a \$500 retainer on a valid credit card.
 - b. A competitor needing a rental unit should make those arrangements at the time of entry submission.
- B. The clock will continue to run during all flag conditions, with the exception of the red flag.
- C. Personal timing beacons are not allowed within 20 feet of the T & S system, or across track from start/finish.

GRID: Starting positions for the first race each day will be determined by the fastest time recorded for each car during the preceding qualifying session. Starting positions for the Sunday race will be determined by the fastest time recorded for each car during any of the preceding qualifying session(s) or the fastest lap during the Saturday race. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap.

- A. Crew / Guests must leave the grid at the one-minute warning.
- B. Drivers are prohibited from scrubbing tires in the paddock, grid, pit out and hot pit lane. In addition, drivers are only permitted to scrub tires on the course, while under control of the pace car or if no pace car is being used, during a full course yellow status on the course.

SPLIT STARTS: The Chief Steward will consider requests for split starts and may authorize such based on qualifying times.

IMPOUND: The top three competitors in each class shall report to impound immediately following the completion of their race.

DESIGNATED INCIDENT INVESTIGATION SITE

- A. If a driver is involved in significant body contact, the driver and car shall stop at the designated incident investigation site located just before the Tech area for review of the incident by the stewards before going to their paddock area.
- B. "Significant body contact" includes but is not limited to: Contact resulting in 2 or 4 wheels off course, spins, loss of position, or repairs to suspension or bodywork

RESULTS: Qualifying, provisional and final results will be posted at Registration / Hospitality. Additionally, final results will be posted to the Colorado Region and Continental Divide Region websites no later than 7 days following the completion of the event.

AWARDS: Trophies for all races will be awarded in accordance with the GCR. Trophies will be available at the event in the hospitality area. Regional points will be awarded per the Rocky Mountain Division Championship rules.

FLAGGING: GCR 6.1.1 flag rules apply to all sessions

- A. BLACK FLAG station is at corner station 8
- B. For practice sessions, a CHECKERED FLAG signaling the end of the session may be displayed at BOTH Start/Finish AND Corner 8. Cars receiving the Checkered Flag at Corner 8 must proceed directly to the pit lane/paddock
- C. Last lap may be a waiving white flag at start/finish.

DISABLED CARS: Disabled or damaged cars may be removed from the course and delivered to a central location. If the car has sustained body/chassis

damage it will be taken to impound and will be released to the driver/crew after tech has made appropriate notations in the vehicle log book. Cars disabled due to a mechanical failure will be released to the driver/crew immediately. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

SOUND CONTROL: A maximum limit of 103dB is in effect for this event. Sound control will be located at turn 8. Sound readings will be posted at Hospitality.

RADIO FREQUENCIES: The region frequencies below shall not be used for communications by any participant.

- F. Minors and non-members must remain behind any barrier paralleling the Hot Pit lane. No one will be allowed to view from in front of the Race Control and Timing structure.

GENERAL: Participants must display proper credentials at all times.

- A. The organizers reserve the right to postpone, abandon or cancel the event, or any part of the event. Entry fees will be refunded to those offered no opportunity to compete.
- B. Any test day or session not on the official schedule is NOT sanctioned by SCCA and is NOT covered by SCCA Insurance.
- C. Vendors wishing to display or sell any items must obtain prior approval from the race chair.
- D. The consumption of alcohol is prohibited until after the daily on track activities are concluded. In addition, GCR 2.3.1.B shall be in effect as it relates to Narcotics and Dangerous Drugs.
- E. The organizers reserve the right to refuse entry and/or issuance of credentials to the premises or event for any reason except race, color, creed, sex, or national origin.
- F. Unmanned aerial vehicles, also known as drones, shall not be used anywhere in the airspace over the property.
- G. All on track body contact (including contact during drafting) that causes a car to act erratically and results in a change of position or a car leaving the course will be investigated.
- H. Club racing penalty guidelines can be found online at: http://www.coloradoscca.org/documents/penalty_guidelines.pdf
- I. In light of the current COVID-19 situation, it is your responsibility to assess the risk to you, both on-track and off, and to make the decision on whether or not to participate. We will be following any local, state, or Federal regulations or guidelines, as well as any specific track guidelines, at this event.
