EVENT ENTRY STANDARDS: Any information provided during event registration or displayed on an entered car, including, but not limited to, sponsor names, car names, car designs, and graphics—that is deemed vulgar, offensive, or inconsistent with our core values will be considered a violation of the SCCA Welcoming Environment. The SCCA reserves the right to remove such information from the registration system or request that participants remove offending designs/graphics from their vehicles. Repeating offenses may result in further action. Please note that event results and images are shared online and with our partners, and we expect all entries to reflect our values of respect, excellence, and inclusiveness.

MEETINGS: Participants must attend the Mandatory Time Trials Driver Meeting at the time and location listed on the schedule. In addition, drivers will attend a short debrief with the group's Designated Driver Coach after each on track session.

EVENT SCHEDULE / RUN GROUPS: The course configuration for this event will be Clockwise. The event schedule is published for planning purposes. Session start times may vary from the published schedule as the event progresses. Run groups may be changed at the discretion of the TT Event Lead. If changes are made, as much notice as possible will be given to all competitors.

TIMING AND SCORING: All cars are required to use MyLaps (formerly AMB) transponders. Drivers are responsible for providing correct information during registration. Non-operational transponders or missing transponder information may not be scored for the event.

- A limited number of transponders may be available for rent - \$30.00 per day, along with a \$500 retainer on a valid credit card.
- The clock will continue to run during all flag conditions, except for the red flag.
- Personal timing beacons are not allowed within 20 feet of the T & S system, or across track from start/finish.

GRID: Starting positions will be determined by the group's designated driver coach. Crew and guests must leave the grid at the one-minute warning. Drivers are not allowed to scrub tires in the paddock, grid, pit-out or hot pit lane.

DISABLED CARS: Disabled or damaged cars may be removed from the course and delivered to a central location. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

FLAGGING: The BLACK FLAG station is corner 8. GCR 6.1 flag rules apply to all sessions.

AWARDS: Results and trophies will be available in the hospitality area. Trophies not picked up will be considered forfeited unless prior arrangements have been made with the Event Lead.
