IMPORTANT: I am the owner/driver whose signature appears below. I have read and agree to abide by the event rules of St. Louis Region PCA. I acknowledge that this event is a Driver Education event and not a racing school and that overly aggressive or erratic driving will not be permitted. I agree that the event organizers have the right to exclude any driver in violation of the event rules from further participation in the event. I understand that I will be operating a motor vehicle at well above "street legal" speeds and subjecting myself and my vehicle to acceleration, braking, and corning forces above those experienced during normal street driving. Passing this technical inspection only means that my automobile has met certain minimum standards for participation in this event and that no technical inspection can cover all possible defects nor predict all potential circumstances, including, but not limited to component, mechanical or other failures or malfunctions during the event. Neither St. Louis Region PCA nor the technical inspectors make any expressed or implied warranty of fitness for any purpose. It is my ultimate responsibility as the owner/driver to insure the safe operation of my vehicle and to maintain it in a safe operating condition during the event.
