La Junta Raceway is located near the airport in an industrial park on the east side of town. There is no gas available on site. There is a gas station (Loaf 'n Jug) with 91 octane approximately 3.9 miles from the track. There is an air-conditioned classroom building, and restrooms at the facility. There are no other services. We will have Sweet Inspirations food truck available both days – some breakfast items may be available. There will be limited snacks and coffee in the classroom. AMR will provide water, and Beer 30 beverages (Courtesy of Big Mission Automotive).

### **REGISTRATION: OPEN 7 AM**

### **MANDATORY DRIVERS MEETING 8 AM**

Please bring completed tech sheet, driver's license, and helmet to registration.  
There will be NO onsite tech inspection available.

Drivers that do not attend the 8 am drivers meeting may not be allowed to participate.

Event payment will be put through MSR on September 8<sup>th</sup>.

Two-day registrations requesting/needing an instructor will be given preference to similar one-day registrations. PCA members are given preference to non-members. Instructor assignments will be allocated in the order of registration. We reserve the right to close registration early if capacity is reached.

Two-driver (sharing) cars is permitted and must register as 2 drivers. Note – both drivers cannot be new/novices and drive both days. If 2 drivers are sharing a car and are new/novice BOTH must attend Ground School on Saturday; one may drive on Saturday and one may drive on Sunday. Please make the Event Chair aware of this arrangement ahead of time. Three drivers sharing a car is not allowed.

Speed Waivers are being used for this event. Once you have registered you will be sent a link via your cell phone to electronically sign the Event Waiver. Please e-sign the waiver as prompted.

## **EVENT REGULATIONS:**

You must be 18 years or older with valid Driver's License (please bring to registration)

National PCA membership will be validated through MSR. If you are new to PCA, please alert the registrar and be prepared to bring proof.

Non-PCA members will pay an additional \$10 (if we cannot validate your membership, you will be charged the non-member price).

**HELMETS:** **Snell SA2015 or 2020 or M2015 or M2020 are mandatory.** Please bring helmets to registration to be validated and receive a current PCA/AMR sticker. (A small number of loaner helmets are available, please request ahead of time with event chair)

**CARS WITH RACE SEATS/HARNESSES:** If you have added race seats with 5, 6 or 7-point harnesses they must be up to date (2 years for SFI certified or 5 years for FIA certified) and you must have and use an approved Head and Neck Restraint Device. Should you require or want an instructor or coach, equal protection must be provided in the right seat.

**CARS:** Roll bars or cages are required for all open or semi-open cars without manufacturer's structural or deployable roll-over protection. Cabriolets (convertibles) must be driven on track with the top in the closed position. No trucks or non-Porsche SUVs.

**NUMBERS:** Please choose a number at registration. Be prepared to have this number on both sides of your car in a contrasting color to the body and visible from 100 feet. We will have painters' tape available in many colors at the event.

Cars must be inspected, and the Tech Form signed by a professional mechanic. Please fill in your personal information at the top of the form. Your Tech Inspection must be completed within 4 weeks (no sooner) of the event date. Self-tech is not permitted. There will be NO onsite tech inspection at the event. Tech Form Can be found here:
