

# Roebing Road Summer Races

SEDiv SCCA Double SARRC / Majors

## Supplemental Regulations

Majors #20-M-8215-S

SARRC #20-R-8216-S

June 26, 27 & 28, 2020

**Notice to Participants:** In light of the current COVID-19 situation, every attempt will be made to minimize the risks of exposure to the virus. New processes and procedures are being developed and will be put into place for events going forward.

Ultimately, it is your responsibility to assess the risk to you, both on-track and off, and to make the decision on whether or not to participate. If you are feeling unwell or are experiencing symptoms such as fever, cough, or shortness of breath please stay home. If you have been in contact with someone who has been experiencing these symptoms in the last two weeks, please stay home.

While on site please take the health and safety of your fellow participants, volunteers and staff into consideration and practice social distancing, wear a mask, and wash your hands and/or use hand sanitizer frequently.

**Rules** The Chief Steward for the event is Sara Snider. The pre-event Race Chairman is Jim Creighton and the at event Race Chairman is Mike Finn. This event is **held under the current SCCA General Competition Rules**; <https://www.scca.com/pages/cars-and-rules>, the category specifications as amended by any subsequent racing bulletins listed in FasTrack during the year 2020 and the current South Atlantic Road Racing Championship (SARRC) <https://www.sediv racing.com>. Please use the following URL for the SEDIV Class Rules. <https://tinyurl.com/2020-SEDiv-Rules>.

**Driver Eligibility** Drivers must have a current SCCA Competition license or a SCCA Pro license. Any novice permit holder should contact the Divisional licensing rep, Toni Creighton at 404 625-3386. All drivers must have a current SCCA membership card. All other licenses listed in GCR Appendix C, 2.8 B, are not accepted.

**Registration** Please either register on line at <http://www.motorsportreg.com> or at the track at Registration. All entry fees must be paid by credit or debit card. A full refund will be given to pre-registered, pre-paid, no-shows, so there is no reason not to register early if you think you might attend. Drivers who register at the track and then need to withdraw must contact Betsy Speed, the Chief Registrar before close of Registration on Sunday. No refunds will be granted if you enter pit road or the track at any entry point. On-line registration will close the Tuesday before the event at 8:00 A.M. hours and late fees will apply after that time.

**Gate Hours Local Ordinances** Roebing Road is a 2.02 mile track. Roebing Road gates will be open from 5:00 PM June 25 until 10:00 PM, for test day participants. The gates will open at 7:00 AM June 26 (track test day) and be open until 8:00 PM Sunday June 28. Official entry to the facility will be allowed to those who have proper credentials issued by SCCA registration. Any person who enters the facility after the close of registration must sign a release at the gate and must return to registration before 9:00 AM the next day. Failure to do so may result in removal from the premises and penalties to the driver. Local ordinance prohibits the running of race engines between 8:00 PM and 8:00 AM daily and from 11:00AM to 12:00 PM on Sunday. Violators will be assessed a fine of \$100. Violations will be enforced by Roebing Road Raceway. Please be aware of the neighbors and obey all speed limits.

**Passes** Each entry is entitled to six passes; including the driver and entrant and four additional for crew. Only crew who are SCCA members will be allowed access to the track side of the pit fence. Memberships may be purchased at Registration. Members must present their SCCA membership card in order to register. Race staff will be granted one guest each.

**Grid/ Start/Finish/Timing** All timing & scoring plus start/finish is at the Tower on the front straight. Working *AMB transponders are required and it is the driver's responsibility to insure they are working at all times. (No transponder = no times & no scoring)*. A "T" flag or information board may be used to notify the driver of Transponder failure. An "S" flag or information board may be used to notify the driver of Sound failure. The black flag will be displayed at Turn 6 and Start/Finish during qualifying, but only Start/Finish during the races. The Starter may signal one lap to go to all cars, as the final lap begins for each race. Race grids will be set based on the fastest time recorded for each car/driver combination as established in any of the preceding timed sessions for that group/class including the Saturday races. The Saturday SARRC/Majors grids to be based on the best driver/car time from the Saturday Qualifying session. Sunday grids will be based the best previous driver/car time posted in either qualifying sessions or the Saturday race.

**Qualifying:** All qualifying sessions will be blended into two group pairs. Each race group will get exclusive use of the track for the scheduled time, however, unless safety is an issue, a disabled vehicle will only be retrieved after the second session in the pair. Please be aware that grid out and paddock in share the same access road. Cars exiting the track may be held in pit lane until all cars in the second group are off the grid.

**Events Schedule/Run Groups:** The event schedule or run groups may be changed at the discretion of the Chief Steward, with concurrence by the Pre Race Chair, depending on pre-race entry counts or as needed to accommodate situations that may be encountered during the event. If changes are made prior to the start of the event, as much notice as possible will be given to all affected competitors.

**Car Numbers** SEDIV permanent numbers will be assigned to entries received prior to the Sunday before the event. Majors permanent numbers will end two weeks prior to the event date. Numbers and class designations and SCCA decals will be placed and sized according to the GCR. Cars not displaying the assigned number will not receive qualifying times.

**Tech/Impound** The top three (3) position cars in each class for SARRC/Majors will be required to report to impound after each race to be weighed. The Chief Steward may require additional inspection or cars to report to impound. All SARRC patches will be permanently attached to driver's suit. All SARRC/Majors cars must display appropriate SARRC/Majors decals. **Runoffs class drivers who wish to receive SARRC points must indicate so when they register.** All Runoffs classes will receive Majors points but SARRC points only if requested. All non runoffs classes will receive SARRC points only.

**Sound Control** The sound control limit for this event is **103db**. Sound control reading will be taken and recorded from driver's left on the Front Straight. Any cars exceeding **103 db** will be subject to penalties. Local Sound ordinances require that any car having sound readings over 103 db will receive a closed black flag and an "S" sign. At the **second reading** over 103 db, the car will be black flagged and brought in. If the car can affect a repair, it will be allowed to return to the track. Any subsequent reading over 103 db, the car will be called in and not allowed to return to the track until repairs are made. Another 103 db reading will result in another removal. Repairs can be attempted again. This will include, practice, qualifying and racing.

**Results/Awards** Qualifying and provisional race results will be posted on the bulletin board at the entry to the paddock and at the hospitality tent. Official results will be posted on the SEDiv website [www.sedivrac.com](http://www.sedivrac.com). If you would like a copy mailed, you must leave a pre-stamped addressed envelope with T & S. Awards will be available at Hospitality as soon as Provisional Results are Final.. No awards/trophies will be mailed. Drivers may only receive an award in either SARRC or Majors even if receiving points in both.

**FACILITIES:** Concession and restrooms with hot-water showers are located in the paddock. Camping is permitted on Thurs, Fri, Sat & Sun nights. Sunoco GTX 260 Ethanol Free 98, Sunoco 110 Leaded, and Sunoco 93 fuels are available at the track. The pumps DO accept credit cards. Electrical outlets are available for rent in the paddock. 30/50 amp electrical outlets are reserved for campers only. All other vehicles will be requested to move. No reservations will be made. Track Manager will collect electrical fees. Compressed air is available in the Tech Shed. The oil dump station and water are available behind the concession stand. Contact Track Manager at 888-398-7223 for more information.

**Communications** Race operations uses 461.825, 461.025 & 464.100 MHz as licensed for the immediate area by the FCC, a copy of which is available at the track. For the safety of competitors and race staff, failure to keep these frequencies clear will result in immediate action under rights specified in the GCR. Do not use these frequencies or frequencies close enough to interfere with these frequencies. **Crew members are encouraged to monitor the Race Control communications.** Roebing Road has converted to digital radios and common FM scanners will no longer work. Teams however may monitor the primary race control frequency via a simulcast on standard broadcast FM 101.5
