TT COMPETITION NUMBERS: See 2025 MiDiv TT rules section 8

TECH: All drivers must present to Tech their driver gear and vehicle for inspection. All drivers/entrants shall provide a completed event tech card for review. After inspection a tech sticker will be issued.

SCALES: Will be available at Tech during Tech hours. Scales may be made available at other times at the discretion of the Chief of Tech.

DRIVERS MEETING: A drivers meeting will be held for all drivers, attendance is mandatory unless prior arrangements have been made with the Competition Director or a Driver coach.

EVENT SCHEDULE/RUN GROUPS: The event schedule or run groups may be changed at the discretion of the Competition Director, with concurrence by the Event Lead, depending on pre-race entry

counts or as needed to accommodate situations that may be encountered during the event. If changes are made prior to the start of the event, as much notice as possible will be given to all affected competitors. The schedule as published is for planning purposes only. Actual session start times may deviate from the published schedule based on actual event progression.

TT IMPOUND: After the 2nd Points session, the all finishers in each class shall report to Tech immediately following completion of their cool-off lap for weighing. You may return to your pit after your weight is verified. This requirement may be waived entirely, or required only for certain drivers at the discretion of the Competition Director.

GRID: Starting positions for the TT points sessions shall be determined by the fastest time recorded for each car during the preceding practice session. Cars arriving to the grid after their group has been released on track may, at the discretion of the Grid Marshall, be held at pit out to then be released to the back of the field after the field has completed the pace lap. Shirts are required and shoes that cover the entire foot are also required in hot area.

PIT: Do not stand or sit on the Pit Wall or climb on fences. Shirts, shoes that cover the entire foot and long pants are also required in the hot pit area. Crew members on pit lane must display their event credentials at all times while on pit lane. Smoking is prohibited in the hot or cold pit lane. PIT LANE SPEED is 25 MPH. No refueling in pit lane.

START/FINISH: The race will begin and end at the stripe in front of timing and scoring.

TRACK / SAFETY: Black flags stations will be as mentioned during the driver's meeting, start/finish, and as needed at the direction of the Driver Coach. Drivers who receive a black flag must report to the Driver Coach in pit lane.

TT TIMED SESSIONS: The session clock will start when the first car crosses the start/finish line and will continue to run during all flag conditions with the exception of the red flag.

RADIO FREQUENCIES: Reserved radio frequencies will be posted no later than Thursday at registration. These frequencies may be monitored but shall not be used for communication by any participant.

DISABLED CARS: Disabled or damaged cars may be removed from the course and delivered to a central location. Cars disabled due to a mechanical failure will be released to the driver/crew immediately. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows. Hardship laps will be granted only at the discretion of the event lead.

TRACK LIMITS: Cars shall not cross the blend line at the exit of the pit lane whether approaching on the track or pit lane side. Violation of track limits may result in penalties.

TT RESULTS: Live timing will be available during the event. Unless otherwise announced, live timing will be available via the Race Monitor App available for iPhone and Android phones. Practice and unofficial final results will be posted at hospitality on the day of race. Final results will be posted to the MiDiv site no later than 14 days following the completion of the event.

TT AWARDS: Trophies and points will be awarded for all races in accordance with the MiDiv TT rules section 12.

LAST LAP INDICATOR: When possible, a waving white flag will be displayed at Start/Finish to indicate the last lap.

SOCIAL EVENT: There will be a worker/competitor party Saturday evening during the endure event and continuing on until Cahill passes out or Matt does his wing walk. Food and Drink will be served. Drivers, crews, and workers are encouraged to attend, but we want to remind everyone that no driver, entrant, crew or official may consume alcohol until all practice, qualifying, or racing for their event(s) or duties are finished for the day and no alcohol may be consumed in the pits until after all the day's on track activities are concluded.

PADDOCK: The speed limit in the paddock is less than 10 MPH! Be aware that pedestrians have the right away and may not see you.

CAMPING: Camping spots are first come, first served. Electrical hookups can be rented by contacting the track.
