DRIVER ELIGIBILITY: Each Majors, SARRC driver must be a current SCCA member and must also hold a current SCCA Competition License per the GCR . The SCCA requirement is satisfied by SCCA Probation letters.

DRIVERS MEETING: Begins at Lunch on Saturday for all drivers. It will be held in the paddock garages.

CAR ELIGIBILITY: Competition is open to all car classes conforming to the GCR as U.S. Majors Tour Eligible, or SARRC as defined in those series' rules.

TRANSPONDERS: MyLaps transponder is required for this event and must be installed and working for each session. If you do not have a transponder Turbo John, LLC (formerly Tracksid Tim's) is expected to be onsite to provide a rental. Contact information - <http://www.tracksidetim.com/> 803-732-0937

DECALS & PATCHES: Majors and SARRC series decals must be displayed on the cars per the series rules. SARRC drivers must wear SARRC patches per series rules. Decals will be available at tech. Competition vehicles must also display the official Summit Racing Equipment SCCA Road Racing decal.

Paddock: We ask for all competitor's cooperation with the Paddock Marshal or his designate when parking. Failure to follow the direction of the Paddock Marshal or his designate regarding paddock parking or activities may result in expulsion from the facilities. **Speed limit in the paddock is 10 miles per hour.**

MEDICAL FACILITIES: Medical is located in the Ground Floor of the Race Control building and will accommodate non-racing medical requirements.

EVENT SCHEDULE/RUN GROUPS: The Race Director may correct any typographical or clerical errors or omissions in the Supplemental Regulations ahead of the event and may modify the Event Schedule or Run Groups in agreement with the Race Chairman to accommodate situations that may be encountered during the event. If changes are made prior to the start of the event, as much notice as possible will be given to all affected competitors. The schedule as published is for planning purposes only. Actual session start times may deviate from the published schedule based on actual event progression. **Listen to the PA system and pay attention to what is happening on track.**

RADIO FREQUENCIES: Race staff uses 460.625 and 456.400 MHz. Please do not use these frequencies for personal communication. **Crew members are encouraged to monitor these frequencies to alert their driver of the communications.**

GRID: Grid for Qualifying 1 will be set on first come basis

- Grid for Race 1 (Saturday) will be set based on the fastest time from Qualifying 1.
- Grid for Qualifying 2 (Sunday) will be based on the fastest time from Saturday's Qualifying or Race.
- Grid for Race 2 (Sunday) will be based on fastest time in Q1, R1, or Q2.
- Any competitor found to be racing to the grid may be penalized up to and including being removed from the event.

QUALIFYING: Per GCR 6.4.2.E, a driver not qualifying within a maximum of 120% of the qualifying time of the fastest qualifier in his class must obtain permission from the Race Director in order to race. In the case of unusual circumstances, the Race Director can waive this rule for the entire event.

CLOTHING: Safe apparel must be worn in pit lane at all times including shirts, pants (long pants strongly recommended) and closed-toe shoes on the grid and over the wall on pit lane. Crew members on pit lane must display their event credentials at all times while on pit lane.

PIT LANE: Pit lane speed shall not exceed 30 mph Violators may be penalized.

START TIMES: The clock starts when the lead car crosses the control line after a green flag is displayed at the start of the race, or if the Starter commands a "wave-off". The lap count also begins.

START/FINISH: All race starts and finishes will be at the CMP start/finish line. In the case of time-limited races, if a race is halted by black flag all or red flag, the race clock will not be stopped.

SPLIT STARTS: The Race Director will consider requests for split starts.

COURSE NOTES: Please be aware of the pit out blend line that leads directly into turn one. When exiting the pits, cars must stay left of this line. Violators may be penalized. If your car stops on course for any reason it will be moved to a safe place and may be towed-in after every other session to save time. A White flag at all stations will be displayed for the first lap of the first practice and qualifying session for flag station identification.

RACE LENGTH: Majors/SARRC Race 1 for each Group will be 15 lap or 30 minute timed races. Majors/SARRC Race 2 for each Group will be 20 laps or 40 minutes, whichever occurs first.

PACE/SAFETY CAR: In addition to GCR 6.5.2.B & 6.6.2., the field shall follow the PACE/SAFETY car as long as its emergency lights are flashing, even if it varies from the normal race course. In the event a full course yellow results in dispatch of the safety car, the safety car will enter the racing surface at pit out.

BLACK FLAG / CHECKERED FLAG: The black flag will be shown at the finish line and/or at Turn 9 with a number board. The checkered flag is located at the finish line.

SIGNIFICANT CONTACT: Per GCR 6.11.1.E, in the event of significant body contact, the driver and car are to report to the S.O.C. station located on pit road.

SOUND CONTROL: Sound level maximum is 105 dB and will be measured by CMP from the front straight near turn 14. **Sound may also be monitored by SCCA staff inside turn 3.**

IMPOUND: After the finish of each race (Majors, SARRC, MX-5 CUP) the top 3 cars of each class must report to impound to be weighed. Additional compliance checks may be performed.

AWARDS: Saturday and Sunday - awards will be presented to all Majors, SARRC, and MX-5 1st, 2nd, and 3rd places at the end of each race. Classes with pending actions or protests will not be awarded until resolved. No trophies will be mailed.

POINTS: Majors points will be awarded per the Majors series rules. SARRC points will be awarded for the Saturday and Sunday SARRC races as per the current SARRC rules and will not be scored against Majors drivers. Highest finishing SARRC driver will receive first place SARRC points.

SPEC MIATA COMPLIANCE: At post-race inspection, Spec Miata participants may be instructed by the designated Class Compliance Chief (CCC) to remove parts, including but not limited to the cylinder head, for disassembly and/or inspection. Competitors are responsible for performing required disassembly and/or reassembly of their car, as well as any resulting expenses incurred. The CCC will report any findings of non-compliance to the Race Director, who will then determine the need for an appropriate Action.

RESULTS: Qualifying, official results, sound readings will be posted on the bulletin board outside the timing building. After the event you will be able to download results from the Central Carolinas Region SCCA web site (<http://www.CCRSCCA.com>). Any penalties will be noted in the results. Live timing will be available during the event. Timing and results on Race Monitor are not official.

PROVISIONS: Camping is allowed in the paddock. See CMP Information for details. Racing safety equipment and supplies: **Naroescape Motorsports 704-395-2975 and Turbo John, LLC 803-732-0937.**

DISABLED CARS: If the car has sustained body/chassis damage it will be released to the driver/crew after tech has made appropriate notations in the vehicle log book. Cars disabled due to a mechanical failure will be released to the driver/crew immediately. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.
