

Although The Vintage will move to the fall, the BMW CCA Foundation will present a great time in the Spring! On Friday, May 21, the Foundation will host the Grand Re-opening of our Museum, as well as the following events:

- Admission to GENESIS: BMW From the Beginning Presented by The Werk Shop! Eighteen (18) rare cars from the oldest known BMW in the US to a 1965 3200 CS, and four vintage motorcycles, including a 1927 R49 race bike and a military-spec R75 motorcycle with its machine gun attached!
- Car rally at the Foundation
- Dedication of our new Founders' Garden, including the burial of a BMW time capsule
- Jackie Jouret will be available to sign her authored exhibition books
- BMW celebrity guest speakers
- Food Trucks and Drink, including unique lobster rolls
- An exclusive GENESIS exhibition collectible
- Access to a special BMW Plant Spartanburg Plant tour – including the rare paint and body assembly areas, not open to the public
- Access to the special three-hour (3) BMW Performance Center "Free Flow" driving event for a discounted rate

A not-to-be-missed event and exclusive opportunities you won't want to miss!
