Please Be Advised: In any instance where there is a conflict between the GCR and the New Jersey Administrative Code (NJAC), the NJAC ruling takes precedent. The New Jersey Administrative Code Title 13 - LAW AND PUBLIC SAFETY, Chapter 62 states: Beginning January 1, 2026, ALL helmets certified SA 2015 will be invalid for use in sanctioned motorsports in the state of New Jersey. All drivers competing within the state of New Jersey will be required to have either a SA 2020 or a SA 2025 rated helmet.

Toyo and G-Loc Contingencies will be available at the Lightning Challenge

The SCCA strives to ensure that ALL participants in its events and activities enjoy a welcoming environment. A commitment to a welcoming environment and the SCCA Values is expected of all its members and attendees, including drivers, workers, crew, guests, staff, contractors and exhibitors, and other participants at SCCA activities, sessions and social events and when representing the SCCA in print or electronic media.

Fay Teal & Laps to Conquer MS (LCMS)

Fay Teal was born in Woodbury, NJ to Stan and Marie Avis, who owned and operated a Volkswagen car dealership in Monroeville. She began her career working alongside her parents at Avis Volkswagen, focusing on family, raising her children, and teaching Sunday School.

Fay shared her father's passion for cars and motorsports, and as soon as her children were grown she set out to realize her dream of becoming a racecar driver.

She joined the South Jersey Region of the Sports Car Club of America (SCCA) in 1978, following in her father's footsteps. She quickly became active in road racing, autocross, and road rallies both as a volunteer and a competitor. Fay met her soon-to-be-husband David Teal while both were serving as volunteer race officials in the SCCA.

Just as she realized her dream of earning a competition license after attending Drivers Schools at Pocono Raceway, Fay was diagnosed in 1981 with Primary Progressive Multiple Sclerosis (MS).

Fay was never one to let her 40+ year battle with a progressive and ultimately fully disabling disease overcome her adventurous spirit and love of motorsports.

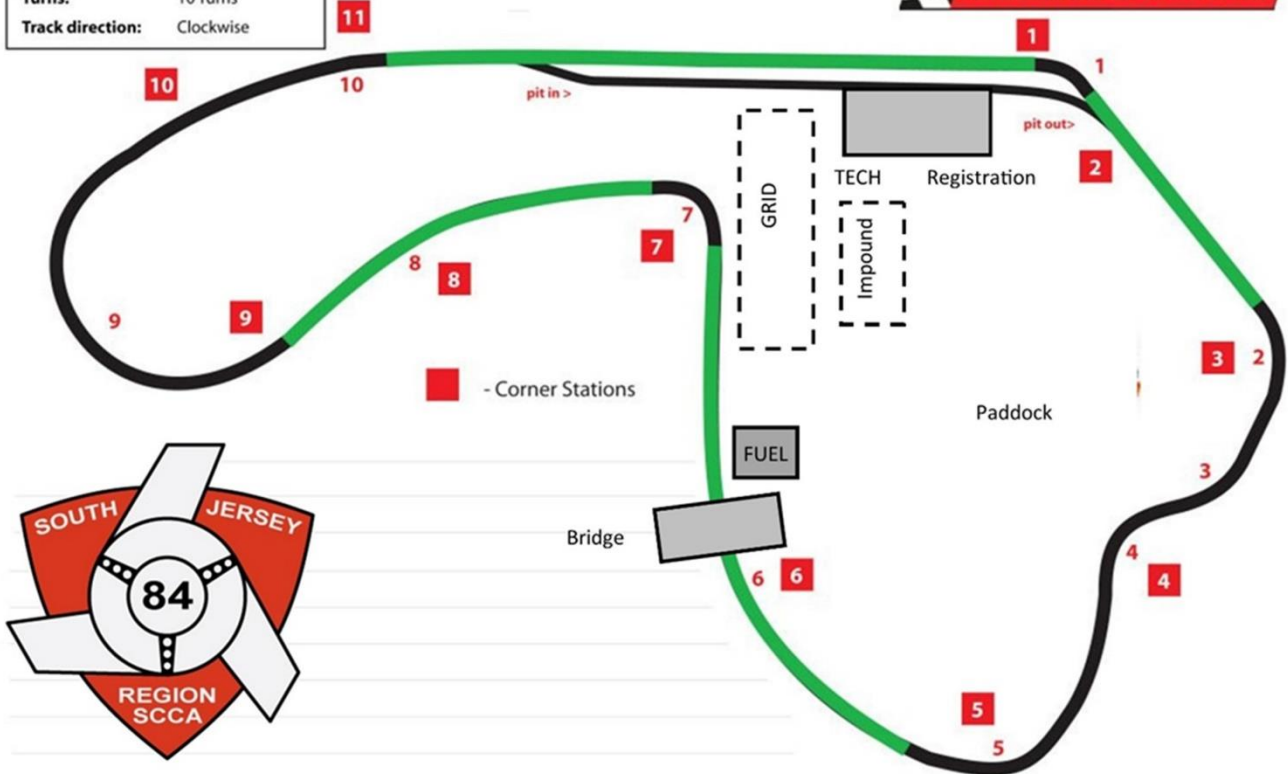

Fay founded Laps to Conquer MS (LCMS) in 1989 to raise awareness of MS and do fundraising for research into treatments to help those suffering with MS.

LCMS competed for 25 consecutive years in the grueling Cannonball One Lap of America road rally, logging over 195,000 interstate miles and raising over \$250,000 for MS research. LCMS also competed in - and won - the Nevada Open Road Challenge, and was the event charity for numerous SCCA races over the years. Fay was featured in Car and Driver Magazine, and earned many awards and recognitions for her work and accomplishments with LCMS.

Her strength, courage, and indomitable spirit was matched only by her husband David's devotion and care, and her family's love and support. Fay passed away in December 2022, and she will be dearly missed as a wife, mother, grandmother, and as a pillar of the motorsports community.

Memorial donations may be made to Laps to Conquer M.S, PO Box 94, Lenni, PA 19052-0094, or through her memorial fund-raiser on the National MS Society's website <https://mssociety.donordrive.com/campaign/Fay-Teal-and-Laps-to-Conquer-MS> .
