

This aerial view shows the layout of a racetrack event. The track itself is at the bottom, with a red and white checkered start/finish line. Above the track, several activity zones are marked with colored borders and text:

- SCCA Setting up Autox** (Large blue-bordered area on the left)
- SCCA Campers** (Blue-bordered area)
- Roll Racing Grid** (Green-bordered area)
- SCCA Campers Overflow** (Blue-bordered area)
- NO Parking/Tenants only** (Red-bordered areas)
- Private Karting** (Purple-bordered areas)
- Car Meet** (Multiple blue-bordered areas)
- ADA** (Green-bordered area)
- Racecars** (Blue-bordered area)
- LVRY Grand Opening** (Yellow-bordered area on the right, with a chair icon)

Other features include a red star icon near the center, a green location pin icon at the top right labeled "Campus Racetracks for cars, motorcycles & karts", and various icons for trucks, a motorcycle, and a trash can.
