**New Instructor Orientation:** Instructors new to GVC meet with staff for orientation in Kendall Classroom. Time TBA.

**Passing:**

- **Mandatory point-bye:** Passing without point bye incurs a black flag. Slower vehicles persistently failing to point bye faster vehicles will be black-flagged.
- **Passing:**
  - **All groups:** No passing between turns 2 and 3 (esses) or in the "bus stop" (turns 5a & b). Passing is allowed/encouraged between exit of bus stop (5b) and entry to "outer loop" (5c).
  - **G0/G1 - ANYWHERE WITH PB** (but in corners, avoid passing at apex).
  - **G5 - ALL straights and corner entries EXCEPT between turns 10 and 11.**

**Two Spin/Four-off Rule:** If you spin or go off, report immediately to the pit steward.

NOTE: Paved runoff areas at exits of Turns 1, 8, and 10 are for safety, and are considered "out of bounds".

Repeated tracking out into these areas to gain corner speed is strongly discouraged, and will incur black flag.
