

# How do I opt-in to receive text messages?

If an organization uses text messaging, you will receive a prompt when joining their organization to be sent text messages about the events and other updates. Add your mobile number and click "yes" to be automatically added.

However, if you once opted out of receiving text messages from an organization and then decide that you want to opt-in, you can do so via My Account (<https://www.motorsportreg.com/index.cfm/event/account>).

- 1 Login to your MotorsportReg account
- 2 **My Account** (<https://www.motorsportreg.com/index.cfm/event/account.view/uidMember/>) → choose the profile you wish to opt-in, click on the name and picture
- 3 **Memberships** → Find the organization that you want to receive messages from
- 4 **Edit** → **Yes, send me event and other updates**
- 5 **Save club membership**

## Example in My Account:

The screenshot shows the 'My Account' page for a user named Tim Wahl. The page is divided into several sections:

- Profile Information:** Includes a profile picture, address, email/phone, emergency contact, and password. There is an 'Edit my information' button.
- Outstanding Credit:** A table showing credit for 'Rogue Racing 2' with an amount of \$20.00 and an expiration date of 12/31/21.
- Mailing Lists:** A table showing various mailing lists and their subscription dates (all Jan 13, 2021).
- Memberships:** A section highlighted with a red box, containing a table of organizations the user is a member of. A red arrow points to the 'edit' link for the 'AMRA' organization.
