

Welcome back to Thunderhill Raceway for our season finale! You are scheduled to run with HOD on **Saturday 12/13 and/or Sunday 12/14/25**. The weather actually looks pretty great... mid 60's, but no rain, per Accuweather!!!

There are still some spots available, so if you've got a friend or family that wants to attend, click [here](#).

Please click on the link to review important policies regarding your day with HOD including info about minors, passengers and other FAQs. Click [here](#).

As always at Thunderhill, the canopy parking fills up fast! Do not park trailers, guest cars or cars that aren't going on track under the canopy as you will be asked to move them. If you see gear or stuff there, that spot has been taken. Do not block fire lanes.

There is **NO** paddock camping for this event. You can camp outside the main gate free of charge.

Logistics:

- Gates opens for drop off on Friday after 5:30pm. Please don't come early & expect to get in.
- Gates will close at 7pm Friday, Saturday and Sunday nights.
- Gates opens at 6:00am Saturday & Sunday.
- Driver meetings are **mandatory for all drivers**. See Schedule for times.

Check-in will be in the clubhouse, beginning at 6:30am. You will get your wristband, run group letter and lunch ticket. If you pre-paid online for car numbers or guest lunch, you will get that when you check-in. If you have a passenger, they will need to check-in, sign waivers and get a wristband.

Group A drivers will have parking together. Just south of the middle canopy. See paddock map.

Helmets - All helmets must have a SA2015 manufacturer label or newer. If you don't have the HOD sticker yet, please bring your helmet to check-in for inspection. If your helmet has a 2015 or newer HOD sticker already, you do not need to bring it to check-in. No Motorcycle helmets please.

Helmet Rentals available for \$30 for the day. We now also have HANS devices for rent for \$50 per day. If you, as a driver, have a 5 or 6 point harness, your passenger must also have the same safety gear as you.

We are working with the Thunderhill Grill for a great lunch. Lunch will be served inside the clubhouse. If you are done with your morning track sessions, head on over to get your lunch. We are unable to add guest lunches the day of the event, but the Thunderhill Grill will be open so they can buy direct from the front windows at the grill. Lunch is available from 11:30 - 2:00pm.

No alcohol to be consumed anywhere on track property before the final checkered flag. Even if you have completed your driving before 5pm, no alcohol may be consumed until the final checker.

Thank you on behalf of the entire HOD Team! We look forward to seeing you at the track!!!

Please give me a call or email if you have any questions.
