## **1.0 INTRODUCTION**

### **1.1 DESCRIPTION**

The 2017 Canadian Autoslalom Championship is a solo car racing event, held in Pitt Meadows, Vancouver, Canada from June 23<sup>rd</sup> to 25<sup>th</sup> 2017.

The event; Canadian Autoslalom Championship (CAC) will be run in compliance with the ASN Canada FIA SoloSport General Competition Rules and the 2017 ASN / FIA Canada National SoloSport Regulations available at: <http://www.asncanada.com/wp-content/uploads/2016/03/ASN-2013-Solosport-GCR-EN.pdf> and <http://www.asncanada.com/wp-content/uploads/2017/02/ASN-2017-Autoslalom-Regulations-R.pdf>

If there are any Amendments and/or changes to these supplementary rules, they will be posted on the official notice board at the VCMC trailer during the event.

### **1.2 SURFACE**

The course will be setup on an asphalt surface which is free of any obstructions. The north side of the pad is without any rain evacuation system and has a flat asphalt surface. The south side of the pad has an underground drainage system, standard manhole style grate drains, which are placed at the bottom of shallow trapezoid slopes for water evacuation purposes.

### **1.3 SITE AMENITIES**

Fuel, air and helmets are not readily available at the event site. Competitors must be prepared to make other arrangements should these items be unavailable.

### **1.4 RESPECT THE SITE**

The pit area is an active runway and the following rules will help maintain the site appropriately. Pit areas must be left perfectly clean at the end of the weekend.

- No entry is permitted past the barricades set up:
  - North of the tech area.
  - East of the main parking area.
- Please do not litter. Garbage cans will be provided on site, please dispose of your garbage appropriately or take it with you when you leave.
- Smoking is not permitted anywhere on the site, including the access road.
- Absolutely no fluid spills. Any and all fluids removed from a vehicle must be taken with you at the end of the event day.
- Tarps must be used whenever fluids could spill or must be used when working on the vehicle (save changing tires).
- Jack stands and jacks must be supported by plywood to prevent marking or damaging the tarmac.

- Pit areas cannot be marked with chalk or paint. If you wish to mark a spot to reserve it, please use cones but do not mark the tarmac in anyway.
- Barbeques and open fires are not permitted

## **1.5 RESPECT THE NEIGHBORHOOD**

Respect the residents. We are guests at this site and must act accordingly. No speeding, burnouts or loud stereos will be tolerated at any time.

## **1.6 NOISE LEVELS**

All vehicles must be muffled with a maximum allowable sound level of 92dB, as measured at 50 feet from the edge of the course. Competitors exceeding this limit will be given one warning and will be required / permitted to make modifications to reduce sound. Competitors will be disqualified if they cannot comply with this sound limit. Final judgment of the acceptability of sound levels, regardless of the measured sound level, rests with the Stewards.

## **1.7 FORMAT**

This event features a 4 Course, 12 Run format.

- Each day will be split into morning and afternoon sessions.
- Each Session will feature a different course.
- 3 runs per Session.
- Final times will be based on the combined fastest times of all 4 sessions, + Penalties.
