FLAGS

- **Red flag:** Hand up, roll off throttle, then exit the track as soon as possible at the track exit
- **Yellow standing:** something has happened, probably off track or coming up, continue as normal, but be aware.
- **Yellow waiving:** No passing, whatever is happening is happening right there, be aware, could be something on track or more likely a rider went off track.
- **Black flag:** **You are leaking oil** or assume so! Hand up, get off the race line and off the track as quickly and safely as possible. We will come pick you up.
- **Checkered:** Session is over. Exit the track as you normally would. Do not take an extra lap! The next group is waiting on you.
