### Time Trials

July 20 - 21, 2024

**EVENT FORMAT:** TT competitors will have 1 practice & 4 timed sessions. There will be 3 on Saturday afternoon and 2 on Sunday morning. The first session, Practice 1, is practice (non-scored) and drivers will select their own grid space. Sessions 1-4 will be gridded in lap time order. Event results will be based on a driver's single best lap time from Session 1, 2, 3, or 4.

**RUN GROUPS:** There will be 2 run groups. Practice 1 run groups will be based on driver experience and/or projected lap time. For scored sessions, grid position within each run group will be based on lap times (your assigned group will not change).

**TWO DRIVER CARS:** Two driver cars are allowed; however, drivers should be aware that there are only two run groups and they will run sessions back-to-back on Saturday & have only a 5-min break between sessions on Sunday. It is up to the two driver teams to manage driver change over and session track time. Two drivers can share a single transponder if desired. However, each driver must have a unique car #, which should be selected during registration. Both drivers are responsible for ensuring the correct # is displayed on the car & the correct transponder is in place, if using 1 unique transponder per driver. Transponders are available for rent during the registration process for \$30.

#### **TECHNICAL INSPECTION, DRIVER AND CAR ELIGIBILITY**

**TECH FORMS:** Participants must complete a self-tech form and turn it into TT Registration/Check-in. Each driver must have their own tech form. Please be sure to COMPLETELY fill out your tech form. The tech form can be found [here](#) on the SCCA Time Trials website.

**DRIVER ELIGIBILITY:** Each driver must be a current SCCA member, weekend or full and must have a valid state issued driver's license.

**CAR ELIGIBILITY:** Vehicles must meet the appropriate safety requirements for their TT Class. Requirements can be found here: <https://timetrials.scca.com/pages/national-event-safety-rules>

**PASSES:** The entry fee entitles each entry to five (5) passes to include all drivers, entrant, and crew members as applicable. Only SCCA members (including weekend members) will be issued crew credentials. Non-members will receive visitor/guest passes and may not enter hazardous (hot) areas. Members and non-members must wear their credentials/passes visibly at all times. Credentials are valid only for the person to whom they are issued. Credential fraud of any kind will result in a penalty to anyone involved.
