

Hello, and thank you for your interest in our first ever CenDiv virtual Spring Training. We thank you for taking time out of your Saturday to join us. While this isn't how we wanted to get together, as the SCCA National Convention showed, it can be fun and informative-just different.

We will begin on Saturday, March 20 at 8:00AM, with a general session for everyone, that will include updates from us, an update on 2022 Spring Training from Paula Spencer, and a presentation from Chris Robbins from the national staff. Around 9:30ish (not time certain), we will separate into different "rooms": F&C, Registration, Tech, Timing & Scoring, Stewards, Solo (including a solo safety steward training from Aruch), and Track Days/Trials. The CenDiv, Inc. board meeting (open to all) will begin at Noon in it's own room. If there is a desire for any more rooms, please let Kevin know at [kcoulter@comcast.net](mailto:kcoulter@comcast.net) by Wednesday night. Note that you can change what room you are in whenever you would like. We anticipate most sessions will be done by Noon.

The Zoom connection information is at the end of this message. If you have not installed Zoom before, downloads for almost any device are available at <https://zoom.us/download>. If you have Zoom installed already, please be sure it is the latest version by updating apps on your device, or, if the PC version, start Zoom, click on your initials in the upper right hand corner, and then select Check for Updates. Being current is needed to join rooms. To pick or change a room, on the bottom of your Zoom window, is a button labelled "Breakout rooms". Go there, and pick the room you want. You go back there if you want to leave that room, and then join another. Finally, if you are wanting to join by phone, it will put you automatically into the main meeting. You can then be "assigned" rooms for the breakouts. Again, please email Kevin if you would like to do this no later than Wednesday.

Thank you. Please let us know if you have any questions.

Kevin Coulter  
Central Division  
Executive Steward
