| Race Rules | | <p>Spec Tires in the LO206/KA100 classes to follow the national tire rules (based on SKUSA/TSRS). The current prevailing tire is the Envico Blue tire.</p> <p>Tires : Envico Blues, you must race on the same set of tires you qualify on in all heats. If a tire becomes unusable during the event, a replacement tire can be substituted with the race director’s approval. The spec tire shall follow the prevailing SKUSA/TSRS compound.</p> | <p>Motion to change tires to OPEN TIRE in ALL SPEC Compotional classes including: Kid Kart, Spec LO206 Classes, KA100 Classes, ROTAX Classes and Shifters</p> <p>Tires: An OPEN TIRE rule will be in effect; however, you must race on the same set of tires you qualify on in all three heats. If a tire becomes unusable during the event, a replacement tire can be substituted with the race director’s approval</p> | <p>This rule does not apply to the existing Bracket Classes as they ALREADY allow for Open Tire regardless of this motion.
