**REGISTRATION:** Time Trial Registration Link: <http://msreg.com/HOH-TT25>  
Road Racing and Volunteer Registration Link: <http://msreg.com/Home25>

- A. Online registration will close at midnight on the Wednesday before the event unless extended by registration officials.
- B. Event payments will be processed through MSReg at the time of check-in at the track.
- C. Registration check-in will be held in Registration/Hospitality, located in the classroom building. All drivers, volunteers, and officials must check in to complete registration and receive credentials, even if they have signed an annual SCCA waiver.
- D. Cancellations shall be made through the Chief Registrar before the event. Once the event is complete, refund requests must be made to the region treasurer [teri.massey@comcast.net](mailto:teri.massey@comcast.net) within 7 calendar days following the event.
- E. In the event of mechanical failure, refunds will be considered by the Chief Registrar and Chief of T & S for cars that have not been on the racing surface. Requests must be submitted to the Chief Registrar before the end of the event.
- F. Approved refunds will be issued via MSReg.
- G. Only members holding a current SCCA membership may be credentialed for the hot areas. Weekend memberships can be purchased at registration, during posted hours, for a fee of \$15.00.

**DRIVER ELEGIBILITY:** Participants are required to have a valid State Driver's License and either an Annual or Weekend SCCA membership prior to taking part in the event. Weekend memberships will be available during online registration. Annual memberships can be purchased through [www.scca.com](http://www.scca.com).

**CAR ELEGIBILITY:** A signed TT Tech Form is required before your car can go on track. If you have not already done so, please see the Time Trial Event Lead to have your car inspected during the TT Tech times and location as listed on the schedule. Download the SCCA Tech Form here: <https://timetrials.scca.com/downloads/43136-scca-tt-tech-form-19-2>

**MEETINGS:** Participants must attend the Mandatory Time Trials Driver Meeting at the time and location listed on the schedule. In addition, drivers will attend a short debrief with the group's Designated Driver Coach after each on track session.

**EVENT SCHEDULE / RUN GROUPS:** The course configuration for this event will be Clockwise. The event schedule is published for planning purposes. Session start times may vary from the published schedule as the event progresses. Run groups may be changed at the discretion of the TT Event Lead. If changes are made, as much notice as possible will be given to all competitors.

**TIMING AND SCORING:** All cars are required to use fully operational MyLaps (formerly AMB) transponders, and the driver is responsible for providing correct information during registration. Unless otherwise announced, live timing will be available via the Race Monitor App and Speedhive.

- A. Non-operational transponders or missing transponder information may not be scored for the event.
  - a. A limited number of transponders may be available for rent at the rate of \$30 per day, along with a \$500 retainer on a valid credit card.
  - b. A competitor needing a rental unit should make those arrangements at the time of entry submission
- B. Personal timing beacons are not allowed within 20 feet on either side of the T & S system, or across track from Start/Finish

**GRID:** Starting positions will be determined by the group's Designated Driver Coach. Drivers are prohibited from scrubbing tires in the paddock, grid, pit out to the course and hot pit lane.

**RESULTS & AWARDS:** Results and trophies will be available in the hospitality area. Trophies not picked up will be considered forfeited unless prior arrangements have been made with the Event Lead. Only participants with an Annual SCCA membership will be eligible for points towards any Annual Championship Series.

**FLAGGING:** GCR 6.1 flag rules apply to all sessions. The BLACK FLAG station is at corner station 8.

**DISABLED CARS:** Disabled or damaged cars may be removed from the course and delivered to a central location. If the car requires wrecker support to return to its paddock location, there may be a delay depending on the availability of wreckers or flat tows.

**RADIO FREQUENCIES:** The region frequencies below shall not be used for communications by any participant.
