Held under the 2026 SCCA Time Trials & Track Event Rules
Event Date: 5/9/2026 Sanction Number: 26-TTRG-#####

The SCCA strives to ensure that ALL participants in its events and activities enjoy a welcoming environment. The SCCA supports equality of opportunity and treatment for all participants, regardless of gender, gender identity or expression, race, color, national or ethnic origin, religion or religious beliefs, age, marital status, sexual orientation, disabilities, or veteran status. SCCA will make every effort to maintain an environment that is free of harassment, discrimination, and any behavior that interferes with a safe, fun, and exciting experience. A commitment to a welcoming environment and the SCCA Values is expected of all its members and attendees, including drivers, workers, crew, guests, staff, contractors and exhibitors, and other participants at SCCA activities, sessions and social events and when representing the SCCA in print or electronic media.

This event is held under the current Sports Car Club of America (SCCA) Time Trials rules and regulations in effect at the time of the event. All participants are expected to read and be familiar with the Rules, which are available on the SCCA Website at <https://timetrials.scca.com/pages/time-trials-event-guidelines>. The SCCA strives to ensure all event participants enjoy a safe and welcoming environment.

- **Refunds & Withdrawals:** Refunds are available before on-track participation. Once a car has turned a wheel on track, no refunds will be given

Timing and Scoring: Timing and scoring procedures for the Time Attack are as follows:

- Transponders are required for this event. If you don't have a Tranx260 compatible transponder, you may rent one through www.motorsportreg.com for \$35.
- Each driver's score will be the sum of their single fastest lap from each timed session. The combined time of these three laps will determine overall placement in class.
 - Any driver not completing a timed lap during a timed session will be credited with a 2:00 (two-minute) lap for that session.
- All cars must display a car number on both sides of the vehicle. Numbers should be 8 inches high in a color that contrasts with the car's paint. Masking tape numbers are acceptable if they are readable.
- Grid for the Practice Session will be first-come, first-served. For all subsequent sessions, grid positions will be based on each participant's fastest lap time from any previous timed session. Grid order may change between sessions as lap times improve.

Awards: Awards will be presented after the completion of the Event.

Grid & Pit Lane Rules:

- All cars entering the track during "hot" sessions must have an appropriate Tech Sticker.
- Only participants with the appropriate wristband will be allowed in pit lane and on track.
- The Grid Steward positioned at the entrance to the Pit area controls traffic through the gate. Drivers must follow the instructions of the Grid Steward before proceeding into the Pit area.
- Be aware at all times of foot traffic in the Pit and Paddock areas.
- No uncredentialed minors are allowed on Grid or in the Pit Lane during activities.

Paddock Rules: The rules of the paddock area are as follows:

Neohio Region Time Attack Supplemental Regulations

- Paddock speed limit is “walking speed,” which is strictly enforced. Speeding in the pit/paddock/access roads and reckless driving (even on track) are strictly prohibited and could result in removal from the property.
- Only licensed drivers may operate any motorized vehicles in the paddock.
- Please place wood or other material between any jacks and the asphalt.
- If you have a fluid spill, please contact an event official immediately. Oil dry is available.
- The organizers and the track management are not responsible for damage or theft of equipment or belongings.

Track Rules: Once track sessions have started, all access to the paddock will be via the bridge over the front straight. A vehicle must wait to cross at the crossover gate between live sessions if it exceeds the bridge weight limit.

NO ELECTRIC VEHICLES ARE ALLOWED ON TRACK DURING HOT SESSIONS!

Services on or near the track: 93 Octane Fuel will be available for sale at the track. Parts stores and other services are available in the nearby towns of Garrettsville and Warren.

Camping & Accommodations:

- Camping is available at the track for participants (including volunteers). To make arrangements, contact the Track Manager (fredwolfe917@gmail.com).
- Area hotels can be found via the map function on MotorsportsReg.com.

Pets: Nelson Ledges is a pet-friendly track. So pet-friendly that your pet may get a biscuit when it shows up. That being said, pets must always be on a leash or a lead. Please clean up after your pet. The next person who has to slide under a car to make a repair doesn't want to find the gift Fido left behind.

Event Cancellation: The organizers reserve the right to cancel or postpone the event when circumstances arise beyond their control. If possible, entrants will be notified in advance, and refund arrangements will be made as needed. In the event of a National Emergency or severe weather situation, please contact the Event Lead or check the Motorsportreg.com website for event status updates.

Event Entry Standards: To ensure a welcoming and inclusive environment for all participants, any information provided during event registration or displayed on an entered car—including, but not limited to, sponsor names, car names, car designs, and graphics—that is deemed vulgar, offensive, or inconsistent with our core values will be considered a violation of the SCCA Welcoming Environment. The SCCA reserves the right to remove such information from the registration system or request that participants remove offending designs/graphics from their vehicles. Repeat offenses may result in further action. Please note that event results and images are shared online and with our partners, and we expect all entries to reflect our values of respect, excellence, and inclusivity.
