CAR ELIGIBILITY: Competition is open to all cars conforming to the 2023 SCCA GCR section 9.3 and 9.4 and as amended in these supplemental regulations..

All cars are required to use fully operational AMB Transponders, and the driver is responsible for providing correct information to Timing & Scoring. 1 transponder is required at the risk of each team if your transponder fails, 2 transponders are recommended. All cars are required to have SCCA stickers on each side and nose of the vehicle. Stickers will be provided free of charge and may be obtained at registration and/or tech. All Cars without a current SCCA log book will be teched prior to going on track. Cars with current SCCA log books will follow standard SCCA procedure of gear only tech. However, an additional inspection, on the discretion of the Chief Steward or Tech Inspector may be required.

COMPETITION NUMBERS: Due to the combination of classes within run groups the entries received by the registrar through noon on October 7, 2023 will be given number priority on a first come, first served basis.

TECH: It is recommended that vehicle annual tech inspections be completed prior to this event. Contact the registrar, Lois Petersen at scca.techgirl@gmail.com for information on tech inspection availability. All drivers without a current year helmet sticker must present all driver gear as required by the GCR, vehicle logbook and completed tech card to Tech. Tech will be located in the trailer parked at the West end of the Paddock. A map will be provided at registration showing the location and directions to Tech.

EXPRESS TECH: Drivers with both current annual tech and a current year helmet sticker may bring their vehicle logbook to get their event stickers.

MANDATORY DRIVERS MEETING: A drivers meeting shall be held at the start of the day per the event schedule.

EVENT SCHEDULE: The event schedule may only be changed at the discretion of the Chief Steward, with concurrence by the Chairman of the stewards of the meet (CSOM), as needed to accommodate situations that may be encountered during the event. If changes are made prior to the event, as much notice as possible will be given to all affected competitors. The schedule as published is for planning purposes only. Actual start times from the published schedule based on actual event progression. Listen to the PA system and pay attention to what is happening on track.

IMPOUND: All cars must report directly to impound area after the qualifying session. The Chief Steward will release the group as soon as possible.

GRID: Starting positions for the race will be determined by the fastest time recorded during the qualifying session on that day. Cars arriving at the grid after their group has been dispatched on track may, at the discretion of the Operating Steward, be held at pit out and released at the end of the pack after the field has completed the pace lap.

TIMED SESSIONS: The clock will continue to run during all flag conditions.
